Canada Soccer – Soccer in Schools

The Soccer in Schools program allows Canada Soccer to reach a wider audience through the public school system, providing opportunities to kids who may not have the means to participate

in organized sports. The Soccer in Schools grant provides teachers with enhanced tools and education to deliver an outstanding in-school soccer experience for everyone involved. By connecting a local soccer organization to their local public schools, we increase the ability for participant engagement and to experience organized play in their community.

To help better understand how to apply and facilitate the Soccer in Schools grant sign up for a 30-minute Q&A session on Friday March 8, 12:00PM with Canada Soccer's Sara McConaghy. Register here!
