Registrar Report – September 30th

The final registrar report and payment will be due September 30th – this will cover any registrations taken from June 1st to September 30th.

Registration Fee – Outdoor 2024

Effective Outdoor 2024, player registration fees will increase by \$2.00/player. The resulting fee structure for soccer and futsal participants starting in Outdoor 2024 and going forward will be:

- Mini Player: \$18.00 per season
- Youth and Adult Player: \$34.00 per season

Player Outdoor and Indoor Season Fees

Participant – per season

- Mini: \$18
- Youth, Adult & Masters: \$34

The change has now amended the previous policy where soccer and futsal were collected for players who participated under each category. Now, regardless of if the participant has registered with multiple clubs or under multiple categories, registration fees will be collected by each member the participant registers with.

For example:

Player 1 registers and plays with Soccer Club X and with Soccer Club Y during the indoor season, both Club X and Club Y will collect SSA fees and submit them in their Registrar Report.

Player 2 registers and plays with a Soccer Club A and with Futsal Club B during the indoor season, both Club A and Club B will collect SSA fees and submit them in their Registrar Report.

Player 3 registers with Club C who offers both Soccer and Futsal category programming. Club C will collect a SSA fee for the player and submit them once in their Registrar Report.

Registrar's Fun Fact
